

EVERYWHERE
ENGLISH

ABOUT US

Everywhere English was established in 2015 by Kate Popova. As one of the teachers and the founder of Everywhere English, there is nothing she can't do! As the months and years have gone by, the business began to grow.

We are now proud to say that our team has expanded. Our group lessons for businesses are designed to be interactive and helps build company morale. Lessons can be tailored towards recommendations of the employer.

HOW IT WORKS

- Contact info@everywhereenglish.eu
- Include your business name, number of employees attending lessons and preferable times weekly or biweekly.
- We will contact you on next steps.

COURSES

Choose from one of these packages for your employees and no. of classes needed:

General conversational classes that are interactive and tailored for beginners. Employees from different cultures learn to interact through English.

Premium English lessons cover subjects like grammar and writing with assignments to improve employees English to the fullest with pair work.

Exam Preparation classes offer your employees preparation for Cambridge exams such as FCE, CAE, & CPE, as well as catering for TOEIC, IELTS & BULATS.

Business English classes are most suited to corporate individuals looking for employees to receive tailored classes based on language used in the industry. All employees should have basic English.
